Dear Stephenie Howard,

Greetings from CSWE! We hope you are continuing to stay safe and healthy during this time.

We are pleased to inform you that your proposal, Codifying Our Ethical Commitment to Social Work Colleagues: Supporting Black Supervisees, has been accepted as a(n) Oral Paper presentation under the track for the Council on Social Work Education (CSWE) Annual Program Meeting (APM). The APM will be held November 10–13, 2022, at the Hilton Hotel in Anaheim, CA. Your presentation will be an important component of the event, and we look forward to your participation!

You will be notified of your presentation date, time, and room location after the APM schedule is finalized in late July 2022.

Review comments:

- Good one

Final decision: Accept

Please note that education sessions have a set schedule on November 11, 12, and 13.

### **Next Steps**

Each presenter will receive a separate email with tasks to be completed. One of the tasks will consist of reviewing the 2022 APM presenter responsibility policy by August 8, 2022. Please note that

- your signature represents your agreement to complete the requirements described in the policy, and
- you will be removed from the presentation, program, and mobile app if you do not register by August 8, 2022, or do not comply with the policy. You should notify us if you are unable to attend in person.

Per the accepted presenter compliance policy, each accepted presenter is required to register for the APM by August 8, 2022. Visit the CSWE website for more information about registration.

### **A/V Equipment**

The following audio/visual equipment will be provided in each session room at no cost to the presenter:

- One LCD projector
- Screen
- Podium
- Wired microphone
- HDMI connector

Please note that CSWE does not provide laptops. If you are

using a Macintosh (Apple) laptop, iPad, Surface Pro, or other equipment that is not supported by traditional HDMI connectors and wish to use the LCD projector, you must provide your own VGA adapter to connect the projector.

### **WiFi Internet**

CSWE does not provide hardwired Internet access. WiFi Internet access is available in the meeting rooms, but bandwidth (at basic Internet speed) will be shared among all APM participants. Other equipment may be requested after your session is scheduled and will be a separate charge to the presenter.

To request additional equipment or higher-speed Internet, please e-mail [APM@cswe.org](mailto:APM@cswe.org) after your session is scheduled.

### **Registration and Housing**

Registration and housing will open in June 2022.

### **Questions?**

If you have any questions regarding your presentation, please e-mail [APMProposals@cswe.org](mailto:APMProposals@cswe.org). For general information regarding the APM, please visit this page.

Thank you again for your participation in the conference. We look forward to seeing you in November!
